DeepSparkle®
Sparkling water with long-lasting fizz.

Viovandri® (optional)
Chemical-free, eco-friendly integrated UV-LED purification.

Hygiene

Totality®
Filtration and hygiene assurance with Biomaster®.

Transformative technology.

The T2 delivers premium water with digital precision, matching sustainable design with complete convenience. Featuring an integrated drip tray and touch panel, the T2 utilises the latest energy-saving EcoMode technology for eco-efficient powerful performance.

With options for sparkling, chilled, and ambient water, the T2 can dispense up to 50 L/h, delivering refreshing, great-tasting water with ultimate convenience.

Powerful and energy-efficient.

Designed and built in the UK, the T2 is powered by our exclusive, compact, modular ProCore® system with discrete ventilation. The integrated DryChill® airless, rapid cooling technology provides the ultimate in hygiene and performance, reducing the risk of contamination and ensuring every glass is perfectly chilled.

Confidently clean water.

Totality® is our 5-step methodology to achieving pure, healthier, premium water. Providing hygiene assurance in every pour, Totality® reduces sediment, odours, chlorine and microplastics, for freshly-filtered water that is safe to drink and tastes clean and crisp.

For complete peace of mind, select Viovandri® enhanced UV-C purification. The ultraviolet LED technology provides eco-friendly, chemical-free sterilisation to reduce bacteria and viruses.

Bottleless water for every environment.

Easy to install, the T2 is designed for every environment. The durable Fynil® finish is easy-to-clean and incorporates an antimicrobial touch panel with silver ion technology. Designed to quickly refill bottles and glasses, the T2 eliminates the need for single-use plastic bottles, enabling you to reduce your plastic consumption.

Transform your
hydration experience
with fresh, filtered
water on tap.

Excellence in every pour.
